### **To All Fellow Good Samaritans And Those Who Want To Be:**

What a busy year 2009 is turning out to be. And we're truly enjoying all the new friends and volunteers that have joined our ranks in the Good Samaritans. It is so encouraging to have so many who are willing to commit to serving as we continue our quest to serve society and our civilization. Last year was a great year for our foundation, as we initiated several new programs and enhanced existing efforts. And this year is turning out to be even larger and more productive as we continue our march forward in the 21st Century.
